the demand for training often exceeds the available resources that s when organizations turn to their subject matter experts these employees often have no training experience but they have valuable information to share with their co workers the train the trainer workshop is the helping hand that no new trainer can do without the facilitator s guide gives you the tips tools checklists and guidelines you need to conduct an effective interactive train the trainer program you ll teach new trainers how to conduct a needs assessment identify their training style design their instructional plan use active training techniques deliver their training evaluate their training and much more

this is the companion workbook to our facilitator training manual this is intended to be used by trainers who have been trained in berkshire group facilitator

training and are ready to train others in the cycle of facilitation

not only is the trainer's role changing but so are the people doing the training line managers coaches and other facilitators are now involved just as much as people with the title of training manager how do you measure the skills and abilities of both the full time and the occasional trainer the answer is trainer assessment which provides a framework for assessing trainer effectiveness along with the tools and techniques that you can use there is a continuous focus on the effectiveness of training in most organizations this book looks at the role and influence of every trainer in that process

the trainer's journey to competence draws on Jean Barabazette's thirty five years of experience in training trainers the book serves as both a useful source of career advice for those in the training field and as a starting point for creating a role specific professional development plan professional trainers can use this resource to assess their knowledge skills and attitudes and use this information to create an individual development plan the book can be equally helpful when creating internal training certification programs for organizations

this highly accessible comprehensive resource shares the passions and key lessons from an all star cast of respected training professionals the authors covers a range of training topics from designing writing delivering measuring and managing training to developing business acumen they have divided the book into five sections designing training delivering training workforce performance and learning measurement and evaluation and professional development including over 60 articles as well as additional resources on a special site helpful checklists case studies and assessments throughout and an easily customizable CD the trainer's portable mentor is ideal for anyone new to the field of training and development as well as veterans looking for succinct practical nuggets they can put to use right away

are you a corporate trainer and do you want to maximize your earning potential run your own train the trainer seminars to train new trainers and make thousands of dollars if you are a soft skills trainer or a corporate trainer who likes to run train the trainer courses or train the trainer seminars to train new trainers and if you are looking for the best course material for your train the trainer workshops or seminars i have the most complete package for you here in this book this book in itself is a train the trainer course and this is also the most comprehensive and complete train the trainer course delivery material that you will ever need to get started as a train the trainer workshop facilitator if you have attended a train the trainer course yourself you would know how much people pay for these courses now here is the opportunity for you to run your own train the trainer courses and make thousands of dollars this book will be your complete bible that comprises of all the modules that you should include in your train the trainer program i have presented this book in first person and every word you would need to say in your train the trainer seminar that you host this is a true train the trainer delivery material in the sense it gives you every sentence that you need to speak from the word go i have included everything from requirements analysis to presentation skills all the modules required to run a fully customized corporate training program this is what you will be teaching your participants too in your own train the trainer seminars and i have made it

easy for you i have simplified the entire course for you there is no need for you to spend countless hours researching and putting together your train the trainer course there is no need to hire a team to research for you and to put together the train the trainer course modules these are the very same notes that i use in my train the trainer courses and i have continually updated the material after each train the trainer seminar that i host now i feel that it is in its perfect form even though i would still continue to update new insights after the upcoming train the trainer workshops you have made a very wise investment by buying this book this is going to help you make several thousands over and over and as much as you want as long as you are ready to run your own train the trainer courses you can make thousands of dollars running your own train the trainer seminars straight away complete train the trainer facilitator s delivery material and guide for running train the trainer seminars contains comprehensive resources required to run a top notch train the trainer seminar you will teach your participants how to run a training program starting from requirements analysis to delivery saves hundreds of hours of research and work in putting together your own train the trainer seminar you can use the book straight away as your delivery notes as the book is in ready to deliver format this book will also make you a good trainer even though the core intention of this book is to be your complete train the trainer course delivery material you will be able to fill the gaps in your own training and delivery skills wherever required download the book and start delivering your own train the trainer workshops

this book has more ideas on how to add involvement in learning than any one trainer could ever use your students and workshop participants will increase their understanding and retention when you design training activities using the winning trainer this updated and expanded edition is richer than ever before it provides more than 100 ready made handouts learning instruments and worksheets all you do is photocopy numerous examples model dialogues and sample answers hundreds of exercises games puzzles role plays icebreakers and other group in action techniques samples of each technique and ways to effectively use them advice on subjects such as unwilling participants use of the outdoors breaks program endings and storytelling significant new additions to the book include materials on the following topics new easier to accomplish approaches to evaluation roe return on expectations and customer satisfaction as a business indicator a methodology to secure group feedback at the end of the program concerning the trainer facilitator s role and participation in the course an instrument for the early screening of likely obstacles when transferring training added techniques to ensure that training transfers to the job a demonstration of how to conduct a quick assessment of needs when under pressure to do so keys to successful training in other cultures several new instruments including how to assess one s prowess as a facilitator how to assess trust in a team and how to measure one s cq creativity quotient two new chapters have been added to treat new material on intelligence and learning principles of adult learning and distance learning in addition numerous new group in action techniques and conceptual materials have been added to the existing chapters this is the one stop source book every trainer needs

forests are intrinsically linked to water forested watersheds provide 75 percent of our accessible freshwater resources millennium ecosystem assessment 2005 and both forest and water resources are relevant to the achievement of all 17 sustainable development goals despite the important interlinkages the forest water nexus is often unaccounted for in policy and planning for example three quarters of forests are not managed for soil and water conservation

which poses a fundamental challenge to achieving sustainable and resilient communities and ecosystems it is paramount to employ an integrated approach to forest and water resources in management and policy that takes into account the complexity and contextual nature of forest water relationships to achieve this we must improve our understanding of forest water relationships within local contexts and at different scales as well as our ability to design implement and learn from landscape approaches that both rely on these forest water relationships and impact them in this context fao s forest and water programme has developed a module based capacity development facilitation guide for project and community stakeholders involved in forest water and natural resource management to ensure we apply our knowledge to better manage forests and trees for their multiple benefits including water quantity quality and the associated socio economic benefits that people within and outside forests so heavily depend on

the skilled facilitator fieldbook is based on the same proven principles outlined in schwarz s groundbreaking book the skilled facilitator fieldbook is the next step resource that offers consultants facilitators managers leaders trainers coaches and anyone that works within the field of facilitation the tools exercises models and stories that will help them develop sound responses to a wide range of challenging situations the book spans the full scope of the successful skilled facilitator approach and includes information on how to get started and guidance for integrating the approach within existing organizational structures and processes

t3 train the trainer 10 things every successful trainer should know covers common sense approaches to learning and development for aspiring and already established training specialists this book also gives leaders responsible for training and development in their organizations a framework and foundation to measure their trainers skillset this easy to read guide reviews 10 major areas of training facilitation that every successful trainer must know in addition t3 provides practical answers to questions that many facilitators have and struggle with why the book during a lessons learned discovery session with his new training team training manager tavis banks decided to survey the group about things they might have trouble with while facilitating their training classes the survey elicited questions like what should i do with late or difficult participants how do i handle situations when the equipment has technical issues what do i do if i don t know the answer to the question i m being asked what if the people in the class know more than i do about the subject matter than i do he was excited he thought the questions they had were all great tavis decided to facilitate a t3 or train the trainer session to review and discuss the answers to their questions he would give his training specialists some tools tips and tricks to use while facilitating their training classes tavis couldn t wait to get in front of the team share the experiences he d had over the years and develop his trainers skills the team had a thirst for knowledge and tavis had the answers that would help them learn grow and teach them to be more experienced trainers they would embark on a journey that he hoped would change their careers and set them on the path to training excellence and leadership if they chose about the author tavis a banks is a los angeles native who has spent over 25 years in service to the public he has focused his energy in human resource development in the healthcare industry specializing in technical training customer service training and leadership development early in his career tavis found a passion for educating others by developing and empowering new and emerging leaders

armed with a master of arts in management degree and a phd in common sense tavis has spent the last 15 years dedicated to leading education and training departments in corporate america he has helped bridge the gap between front line staff and senior leadership to take their teams to the next level he has served as a mentor resource and collaborator in the training space and maintains an open door policy with anyone willing to learn team up and discuss thoughts on education and training his passion for teaching has led him to develop training teams at small to large sized organizations like unitedhealth group optumrx and altamed health services tavis is also the chief creative officer of avant garde training group encouraging people to find new and unusual ways to excel at work and in life through leadership development and training

breastfeeding and appropriate safe and timely complementary feeding are fundamental to the health and development of children and important for the health of their mothers all health workers who care for women and children during the postnatal period and beyond have a key role to play in establishing and sustaining breastfeeding and appropriate complementary feeding this guide which is an update of the version published in 2005 enables course directors to create a customized training package that will respond directly to the specific learning needs of their health workers the training modules cover a range of topics including breastfeeding complementary feeding growth assessment and monitoring hiv and infant feeding and infant and young child feeding counselling

when it was published in 1994 roger schwarz s the skilledfacilitator earned widespread critical acclaim and became a landmark in the field the book is a classic work for consultants facilitators managers leaders trainers and coaches anyone whose role is to facilitate and guide groups toward realizing their creative and problem solving potential this thoroughly revised edition provides the essential materials for anyone that works within the field of facilitation and includes simple but effective ground rules for group interaction filled with illustrative examples the book contains proven techniques for starting meetings on the right foot and ending them positively and decisively this important resource also offers practical methods for handling emotions when they arise in a group and offers a diagnostic approach for identifying and solving problems that can undermine the group process
